COMBINED DECLARATION AND POWER OF ATTORNEY

As a below-named inventor, I hereby declare that:

This is an original patent application.

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent issued on November 24, 1998 (U.S. Pat. No. 5,839,514) and for which invention I solicit a reissue patent on the invention entitled METHOD AND APPARATUS FOR INJECTION OF TUBING INTO WELLS, the specification of which was filed on January 18, 2000, Serial No. 09/484,260.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge my duty to disclose information which is material to the examination and patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56.

At this time I do not claim foreign priority benefits under 35 USC §119.

I believe the original patent to be partly invalid by reason of the patentee claiming more than the patentee had a right to claim in the patent. The error in overclaiming, which is being corrected, up to the time of the filing of this reissue declaration arose without any deceptive intention on the part of the applicant.
